Memories from the Titanic

Join us for the heart-wrenching first-hand account of the sinking of the Titanic portrayed by Dianne Moran. Dianne Moran is an award-winning storyteller, living history performer, and Chautauqua scholar. Heritage festivals feature her poignant portrayals, including Zerelda James (Frank and Jesse's mama) and condemned conspirator in the Lincoln assassination, Mary Surratt. Food and beverages will be available before the program, and the theater will be set up for causal dining and socializing.

Butterflies and other Pollinators

Thursday, Sept 18, 2025
Doors open at 6 p.m.
All programs start at 7 p.m.

Learn about and experience live butterflies, caterpillars, and other pollinators. Last fall Rebecca donated a temporary butterfly habitat, full of chrysalises ready to emerge into adult

butterflies. After watching, waiting, and eagerly anticipating, BYM guests got the chance to release beautiful Monarch butterflies. Kansas/Missouri Master Gardener Rebecca Roth, Malden alum and Monarch Butterfly Wrangler will present a pollinator workshop and (depending on Mother Nature) a live release. This program is sponsored by Heartland Insurance Agency. Food and beverage will be available before the program, and theater will be set up for causal dining and socializing.
